

CCUK Testing Conference

18th July 2018

About

The CCUK conference is bringing together experts in the field of Cosmetic and Personal Care testing. This conference will be invaluable for formulators, NPD managers, brand owners and retailers, in fact anyone involved in the process of developing, defining and approving cosmetic claims in the current and future market. This conference will take you on a journey to discover the purpose of testing, what is involved, new requirements and potential new tests required.

The conference will include key note presentations, expert round tables for free and open discussion and a small table top exhibition.

Book your place
