

2022 ISBS Congress

On Biophysics and Imaging of the Skin

June 2-3
Berlin, Germany

Unfolding Skin Secrets: the Visible/Cells/Functions Looking deeper from microstructure to perception

Congress President **Prof. Karsten König**

ISBS President **Dr. Bernard Querleux**

INVITED SPEAKERS

Prof. Arnaud DUBOIS (FR)
Prof. Joachim FLUHR (D)
Prof. Karsten KÖNIG (D)
Prof. Edoardo MAZZA (CH)
Prof. Francis Mc GLONE (UK)
Prof. Martina MEINKE (D)
Prof. Laurent MISERY (FR)

ABOUT THE ISBS

The international Society for Biophysics and Imaging (ISBS) focuses on the development, use and spread of knowledge on non-invasive investigation of human skin. Official journal of the ISBS is SKIN RESEARCH AND TECHNOLOGY

CONGRESS VENUE

Langenbeck-Virchow-House
Luisenstrasse 58/59
10117 Berlin
